## THE PLASTICS FAIR IS BACK IN ACTION

The new Plastics Chemistry Fair event has been rescheduled to Saturday, August 12, 2023. Dr. T. will be live at the [Hagley Museum](#) in Wilmington, Delaware for "Fun with Plastics"!

The Plastics Chemistry Fair is sponsored in part by the Philadelphia Section of the [Society of Plastics Engineers](#).

The event will include a live demonstration show, Entertaining Plastics, about the science of plastics for sports, movies, and safety!

There will be hands-on science tables!

Including returning favorites:

Smelly Slime!

What's It Made Of?

Glitter Beads!

How High Will It Bounce?

Polymers are Pretty!

There will also be an all new, self-guided table for exploring the chemistry, structure, and properties of materials.

The event will be live from 11 AM - 3 PM.
